Bid #1565-N, Furniture Bid

BACKGROUND INFORMATION:

Price Increase Requests:

- **Line 31:** ELB US, Inc. has requested a price increase on Line 31. The manufacturer documentation specifies a 23% increase on this item, although ELB’s request was for approximately 40%. ELB was unable to provide documentation to substantiate any increase higher than 23% which was reportedly due to freight costs.

Line #	Description	Manufacturer - Model No.	Current Price	Requested Increase
31	CHAIR, folding, 18-gauge 7/8" round tubular steel frame, 3 riveted cross braces, powder coated	NATIONAL PUBLIC SEATING 300 SERIES	1-100: \$27.39 101-500: \$27.05 >501: \$26.72	1-100: \$38.39 101-500: \$37.05 501+: \$36.72

Recommendation: It is my recommendation to unaward this line item since the vendor is unable to honor their price. The documentation provided by ELB does not support the requested increase.

- **Line 79:** Arenson Office Furniture has requested a price increase on the following, and has provided sufficient manufacturer documentation to support this request:

Line #	Description	Manufacturer - Model No.	Current Price	% Increase	New Price
79	DESK, 30 x 48, single pedestal, center drawer with pencil tray; suspension file drawer lockable, steel construction base with laminated plastic top	HON H34251	\$552.52	4.4%	\$576.83

Recommendation: It is my recommendation to approve the increase on Line 79 as shown above.

- **Discount for Manufacturer Virco, Inc.:**

Indoff Inc. was awarded the percentage discount for Virco Inc., in the percentage off manufacturer list price portion of the bid. Indoff's bid discount was 55%, which was the same as the discount bid by Virco Inc. A tie breaker was performed prior to bid award, with Indoff winning the tie. However, Indoff has encountered difficulties procuring some of the Virco products, and has requested to be removed from this portion of the bid. Virco Inc. has agreed to honor their original bid discount at the same 55% off list price.

Recommendation: It is my recommendation that the percentage off discount for Virco, Inc. be re-awarded to Virco, for the same discount of 55% off list.

BACKGROUND INFORMATION:

Item 1: OES is requesting price increases on 108 line items varying from 4.31% - 21.48% as per the attached summary. A 15.05% increase was requested on line 21, however the manufacturers letter only supports a 10% increase, vendor has agreed to a 10% increase for this line.

Item 2: Virco is requesting a 10% increase on all awarded items.

Both vendors have provided documentation to support their price increase requests, including letters from manufacturers, market data and/or manufacturer price lists. It is my recommendation that the NCEPC Board approve the requested price increases with an effective date of August 3, 2022.

Bid #1565-N, Furniture Bid

BACKGROUND INFORMATION:

Item 1: Manufacturer MooreCo has discontinued production on their Trek Mobile Room Divider Model Number 62406 with no in-line replacement. This affects NCEPC Bid 1565-N line item 171.

Item 2: Manufacturer Artcobell has discontinued production on their Uniflex chairs with no in-line replacement. This affects NCEPC Bid 1565-N Series 1, line items 1a – 1d and line item 29.

These line items have been updated on the line-item bid line as “Discontinued with No In-Line Replacement”.

Item 3: Office & Ergonomic Solutions (OES) is requesting a price increase of 4% on seven (7) Artcobell line items. See summary below.

Line #	Description	Manufacturer - Model No.	Current Price	% Increase	New Price
2a	Student Chair 18” Height	Artcobell Discover D10A	\$36.81	4	\$38.28
2b	Student Chair 16” Height	Artcobell Discover D10B	\$34.18	4	\$35.55
2c	Student Chair 14” Height	Artcobell Discover D10C	\$30.98	4	\$32.21
2d	Student Chair 12” Height	Artcobell Discover D10D	\$25.00	4	26.00
22a	Student Stool 30” Height	Artcobell Alphabet AS4ST30	\$124.38	4	\$129.36
22b	Student Stool 24” Height	Artcobell Alphabet AS4ST24	\$119.36	4	\$124.13
30	Teacher Chair w/casters 18” Height	Artcobell Discover D16A	\$67.57	4	\$68.25

Office Ergonomic Solutions (OES) provided documentation in support of their price increase requests, however, based on the information and back up documentation OES provided, the Artcobell January 1, 2022 pricing is the same pricing as the Artcobell March 1, 2022 pricing. OES advised they based their bid pricing on the Artcobell July 1, 2021 pricing, however, the NCEPC Bid 1565-N pricing wasn't due until November 17, 2021. It is hard to believe that OES was unaware of a potential January 2022 price increase, since the first of the year is when most companies have price increases. Also, the Bid Terms and Conditions, General Conditions Section, Clause 4 – Increase in Price, it states in part **“No increase will be allowed sooner than 180 calendar days from the date of contract award, including thirty (30) calendar days advance written notice and a regularly scheduled NCEPC Board meeting. No price increase will go into effect until NCEPC board approval.”**

It is my recommendation that the NCEPC Board decide whether or not to approve OES’s request for price increase.

If you have any questions, please let me know. Thank you.

NCEPC Board Meeting Results:

- Items 1 and 2 were approved by the NCEPC Board
- Item 3 was not approved by the NCEPC Board
