RE: Child Nutrition Services Milk and Dairy Bid
Bid: CNS 01-2526 (Regions 2 and 3), Renewal 1

Background

For the 2025–26 contract term, specifications were developed, participating district usage was compiled, and an RFB was issued for the purchase and delivery of dairy and juice products on behalf of districts in Regions 2 and 3. The NCEPC Board awarded the contract to Hollandia Dairy on June 7, 2023. The contract allowed for up to two (2) one year renewals.

Renewal Information

The Contract allowed for monthly updated pricing for fluid milk. Additional items required updated pricing based on the U.S. Bureau of Labor Statistics Consumer Price Index for San Diego, CA and required fixed pricing for the first year. The CPI for May 2025 reflects a 3.8% annual increase from 2025 for San Diego. The renewal pricing for non-fluid milk products averages at 2.68%.

Recommendation

Renewal pricing on average was within the limits of the contract. Therefore, it is recommended that RFP CNS 01-2526 is renewed with Hollandia Dairy, for the first renewal term of this contract.
